

THE VOICE OF THE GODS

14TH JANUARY 2004

Welcome to the happy **SOCMART 2TM** edition of the **Voice of the Gods**. For those of you who don't know the **Voice of the Gods**, aka **Vodka** is the official fortnightly newsletter of the **UEAS Games Society**. For those of you who *do* know this is really communist propaganda. I'll stop writing bollocks and highlighting random words in a really condescending way now...

...well maybe the latter at least...

The first and most important thing to say is that the first pub crawl of the new term will be this Friday (16th January). The route as dictated by our glorious Pub Crawl Führer Chris Burdett is as follows:

1800 [Union Bar](#)
1900 [The City Gate](#)
1930 [Ten Bells](#)
2000 [Micawbers](#)
2030 [The Pottergate Tavern](#)
2100 [Bedfords](#)
2130 [Kafe Da](#)
2200 [The Wildman](#)
2230 [Yates](#)
2300 [The Thatcher Years - 80's Night at the Waterfront / Chains on Velvet upstairs](#)

The society pubcrawls are legendary events as always, so do your best to step on board the legendary event train.

The Games Society for you newly-joiny people is dedicated to the playing of all forms of games, including, but not limited to:

Pen & paper roleplaying, wargaming, live roleplaying (including live UKM, Mage, Sabbat and Dark Ages Vampire), live action roleplaying (LARPTM which is great and makes you more attractive to the opposite sex), Computer gaming, board games and collectable card games.

The Games Society are one of the largest and by far the most active society in the Universe

ity.

So consider it an investment...

I've just realised that it is likely that as you are reading this the world may have ended...

This Saturday should see the first UKM game of the new year, which for those not in the know is a countrywide live-action game based on White Wolf's Vampire: the Masquerade. Feel free to come along and give it a go if you haven't already, the game starts at 7ish in Congregation Hall on campus, but turn up a bit earlier if you haven't got a character so the STs can help you gen one.

This Sunday sees another day of LARP which generally involves running around in costume with foam weapons... *id est* a great laugh and a chance for some exercise even so come along to union house room 1.33 at 12:30ish if by some fluke you aren't a dedicated larper already.
